

Angel Healer Certification Class

During this Certification class, you'll learn how to do an angel therapy session to clear away emotional and physical pain with the help of the angels and archangels. We will study and experience each technique.

Topics covered include:

- Cutting the cords to past painful experiences and relationships to immediately boost your energy and help you to attract more positive experiences and relationships.
- Reducing or eliminating addictive cravings to food, substances, or unhealthy behaviors.
- Vacuuming and clearing away negative energy from your body and home.
- Lifting and healing the effects of psychic attacks.
- Increasing your self-esteem and confidence levels by clearing away old fears from your past lifetimes.
- How to lead a healing meditation with the archangels
- Much more!
