

Past Life Healer Certification

In this class you will learn how to heal wounds and traumas from past lives for you and for others by becoming a Past Life Healer!

This technique helps to overcome different difficulties and helps us to understand our present life, our relationships and our life purpose. Many of the phobias, traumas and blocks can be overcome through the healing of past lives.

During this course you will learn:

- The importance of traveling to the past to heal the present
- Hypnosis: its uses and its myths
- What is hypnosis? How is it done?
- Types of work from past lives
- Professional level work

Duration:

In Person: two days of class

Online: Four days of class in four meetings of two hours each
